LB 168, 248, 161, 162

three sets away from you and if you read bills at night at the apartment, if you want a set of statutes at your office, and one back at the home district at home, you aren't going to have them. If we just do not adopt the committee amendment, we can keep our three sets, keep them up-to-date so we'll have reference material wherever we're at. Thank you very much. I recommend we do not adopt the committee amendment.

PRESIDENT: Mr. Speaker we have 11 lights on on this issue. We've got two minutes to go, Mr. Speaker. We can't dispose of this matter. Senator Barnett, I think we ought to take care of this some other way.

SENATOR BARNETT: That's fine.

CLERK: Then Mr. President, Senator Kremer asked unanimous consent to take up LB 248 for purposes of making a motion to return it to committee.

PRESIDENT: Read the motion.

CLERK: The motion is, I move to return LB 248 to the Public Works Committee. Signed Senator Kremer.

PRESIDENT: Senator Kremer.

SENATOR KREMER: Mr. Chairman, I think I'd like to ask unanimous consent. If that doesn't work, I'll move. I was informed by those who want the bill to say that it's in a mess the way it is and I think we can do a better job by taking it back to committee and working it over than trying to do it out here.

PRESIDENT: We'll have to have a vote on it Senator. That's the motion. Record your vote. Record.

CLERK: 28 ayes Mr. President on the motion to return.

PRESIDENT: The bill is returned. Do you have anything further Mr. Clerk?

CLERK: Mr. President, the Executive Board asked to announce again that they are going to meet in 2102. Signed Senator Marvel.

PRESIDENT: Mr. Speaker.

SPEAKER LUEDTKE: Mr. President, I just want to indicate. I've been asked some questions as to whether we're going to meet all day tomorrow and I don't see any reason not to. When I checked, there wasn't anyone that has been excused yet. I think we should have a normal day tomorrow and work on General File. So I'm going to move that we adjourn until 9:00 Friday morning.

PRESIDENT: Before I take the amendment, for what purpose do you rise Senator Newell?

SENATOR NEWELL: I have a motion on the Clerk's desk to bring 161 and 162 back to be moved since the objections have been withdrawn. They were on the consent calendar and I asked for them to be withdrawn. I see the error of my ways and I humbly ask that they be moved...
